

Faith that Moves Mountains

Matthew 17:14-20

INTRO

- _____ lies at the very heart of Christianity. Christianity without faith isn't Christianity.

DOWN FROM THE MOUNTAINTOP

- Love, grace, mercy and faith don't keep you from the world, rather they _____ you into it.

INTO A FAITHLESS AND TWISTED GENERATION

- The people's minds were not set on the Kingdom of God, nor were they putting their full trust in God's divine providence.
- Oh, that we would bring _____ of cares and all of our worries to Jesus in the first place not the last place

LIVING BY A FAITH THAT MOVES MOUNTAIN

- True faith is actually an admission of powerlessness and a dependence on God's power.
- Faith is confidence in God. It is _____ word.
- Biblical faith assumes not only a belief in God's power, but also a _____ after _____ own heart. A heart which desires and asks for the things of God.
- It is not the amount of _____ faith that works miracles. It is the focus of our faith on _____ who will work miracles through us according to His will.

WHAT ABOUT YOU?

- Do you pray believing that God does not answer your prayers? That it's fruitless to pray?
- Are you praying for something that will go against His will?
- Do pray only after things aren't turning out?

Or

- Do you first look to your heart, confessing your sins before him, and then boldly asking in faith for his divine providence?
