Monthly Activities

As soon as we made it to the field our work began. I am teaching a Sunday School class every week, preaching every Sunday PM, leading youth group every week, and I am mentoring 5 different men that are interested in potentially serving God in the ministry. We have actively been inviting others to church and planning the upcoming VBS.

Ministry in Mexico City

June was indeed the highlight of the year. We finally made it to Mexico, and we have had an amazing time. First of all, thank you for your prayers along the way. We praise God for his protection and provision while on deputation. Please know that we do not take your prayers and support for granted. Today, more than ever we are so thankful for the new extended family that we have in brothers and sisters in Christ that we met during our deputation time. As soon as we got to Mexico City we started searching for a house. We anticipated to find it much sooner than we did, but God knew best. After four weeks, God directed us to a beautiful house that is perfect for all of our needs. It is close to Eternal Rock Baptist, the church where we are working for this first year, and also close to several families in the church, making it simple to connect with them for fellowship, Bible study, and ministry. Also, God provided for a van which is a huge help in one of the busiest cities in the world. Overall, we are settling in rather well and the kids are just excited to have a house that don't have to leave as often. For the next year, we will work closely with Eternal Rock Baptist in preparation for our first church plant next year. Please pray that we can find potential national church planters that will go with us. Also, please pray for another missionary family to come to Mexico City and partner with us on the field to plant churches. We are eager to seeing what God will do.
